Amendment No. 2

Gentlemen:

Reference is made to the subject Contract entered into with your corporation on 13 April 1967, and to Monthly Progress Report No. 1 dated 15 May 1967.

By this amendment, the Contracting Officer hereby grants approval of Items 1, 2, and 3 as specified in Section D of Monthly Progress Report No. 1, which is incorporated by reference into the subject Contract. These items are concerned with modifying two Platemasters, increasing the height of the frame and delivery of the units one month apart, rather than simultaneously.

This amendment will not affect the total target cost nor any other terms and conditions of the subject Contract.

Please indicate your acceptance by executing and returning the original and one copy of this amendment to the Contracting Officer, retaining the third copy for your files.

Very truly yours,

Contracting Officer
